INDUSTRIAL DISPUTE No. 47/1961

(On the files of the Calicut Industrial Tribunal Court)

Between

Sri C. KORAPPAN,
Blacksmith, Indian Motor Service,
C/o The District Motor Transport Workers' Union,
Kozhikode-4

And

THE MANAGEMENT OF
Indian Motor Service, Manjeri.

AWARD

The above dispute arises from a complaint filed under Section 33 A of the Industrial Disputes Act. The complainant alleges that the opposite party management is guilty of contravention of the provisions of Section 33 of the Industrial Disputes Act. I. D. 7 of 1961 on the files of this court is between the management of Indian Motor Service, Manjeri and their workmen represented by the General Secretary, Kozhikode District Motor Transport Workers' Union, Kozhikode of

which the complainant is a member. During the pendency of that dispute the management terminated the service of the complainant without obtaining the permission of this court. According to the complainant the management has therefore violated the provisions of Section 33 of the Industrial Disputes Act and thereby giving rise to a right of complaint to the complainant. The complainant is a blacksmith under the opposite party for the last 14 years and was paid Rs. 2·50 per day as wages. He is a permanent worker and was working at the Calicut branch of the opposite party since the last two years. On 6-8-1961 when the complainant went to the factory as usual for his work, the Calicut branch manager of the opposite party informed the complainant that he has instruction from the opposite party not to provide work to the complainant. In spite of repeated request on that day and on subsequent days the branch manager has not given him any work. The complainant is without any work and he prays for reinstatement with back wages and continuity of service.

2. The management filed their written objections on 4th December, 1961. The management has denied the allegations of the complainant in the complaint. The management submits that Sri Korappan was on medical leave since 1957. In 1958 he produced a medical certificate to rejoin duty which contained that he was suffering from contageous disease and he was unfit for work; since then he continues to be on leave. In 1953 the management shifted their workshop from Calicut to Manjeri and transferred the workmen to Manjeri. After that there was no need to keep any workers permanently at Calicut. For the minor repairs to be attended to on the buses halting at Calicut some fitters are sent from Manjeri. In 1961 the complainant approached the management requesting work at Kozhikode promising to work on days when there was work and he may be paid for the days on which he is working. There was no work for blacksmiths for a few days and he was not given work for the last few days. He can be given work whenever work is available in the workshop. The management contends that they have not violated any provisions of law relating to the service conditions of the worker.

3. The case was posted to 2-2-1962 for evidence of parties and argument. The worker present in court stated that it would be sufficient that he is given work whenever work is available under the management. Mr. M. R. Subramonia Iyer, the mangement representative present in court agreed that they have no objection in giving work in the Calicut branch of the workshop whenever work is available. So the worker will be given work in the Calicut branch of the workshop whenever work is available. The complaint is allowed to the extent indicated above. I pass the award as stated above without costs and the same shall become enforceable after 30 days of its publication in the Government Gazette.

Calicut,
7-2-1962.
